SLP Directory

This directory is created for the Key Club members of the California-Nevada-Hawaii (CNH) District, compiled by the Kiwanis Family & Foundation Committee. This directory is a list of all Kiwanis Family clubs (Service Leadership Programs) that exist in the CNH District, organized by the divisions and regions in CNH Key Club. The intention of this directory is for Lt. Governors and club officers to have better knowledge of the branches that exist around them and to help them strengthen Kiwanis Family relationships. This list does not include Kiwanis clubs or Key Clubs.

After reviewing the contents of the division you serve in this directory, consider doing any of the following with your Key Club:

- ❖ Help charter or co-sponsor a Kiwanis Kids or Builders Club.
- ❖ Contact and meet with a Kiwanis Family club near you and participate in a service project together.
- ❖ Help find a Kiwanis International (KI) Sponsor Club for any clubs that do not have one.
- ❖ Help turn inactive clubs active.

Important Notes

- ❖ This list **does not** identify any clubs with a special status (inactive, suspended, charter pending, etc.), and lists all clubs that exist, will exist, or have existed before, in a particular division. **Please note that some information may or may not be accurate.**
- ❖ Before making contact with a Kiwanis Family club, please check that the club you are contacting is **active**.
- ❖ As mentioned, this directory does not include all Kiwanis clubs or Key Clubs. The KI Sponsor Club column serves as a reference on who you should communicate with!
- ❖ Does the directory list a club not placed in the correct division or region number, has the wrong KI Sponsor Club, or any other errors? Has a club gone through a change since this directory was last updated? Contact cnhkc.kff@gmail.com so it can be fixed and updated!
