

An Overview of the Kiwanis Cal-Nev-Ha Foundation

The Kiwanis Cal-Nev-Ha Foundation is a non-profit corporation governed by the provisions of the State of California. It is classified as a 501(c)(3) Corporation under the provisions of the Internal Revenue Code. This permits the Foundation to receive tax-deductible contributions. The Board of Directors consists of 20 members who meet a minimum of 3 times per year to conduct its business. A candidate for membership on the Board must be a Cal-Nev-Ha Kiwanis member in good standing. After a thorough interview process, selection is made by the Foundation Board of Directors and confirmed by the Kiwanis District Board of Trustees.

In recent years, the Endowment (or permanently restricted fund) has experienced significant growth. In 1992, the endowment was valued at \$493,000.00. Currently, it is valued at nearly \$2,875,000.00. This growth is due in large part to increased club participation, donors to the William A. Dunlap Fellowship and the very generous donation of Les McElwain, past member of the Kiwanis Club of Oakland. These funds are administered by a registered investment firm and are reviewed at each meeting of the Board.

There are many committees which work diligently throughout the year. Three committees that most affect clubs and their communities are the Club Grant, Pediatric Trauma Program (PTP), and SLP Scholarship committees. During the 2007-2008 administrative year, \$21,865 was provided to fund Kiwanis club grants and \$131,934 was provided in support of our Pediatric Trauma Program. In addition to this assistance to our clubs, the Foundation provided \$111,691 in scholarships and leadership training to our Circle K, Key Club and KIWIN'S organizations.

Pediatric Trauma Program

Did you know?

- Unintentional injury is the #1 killer of children age 14 and under in the U.S.
- Unintentional injury kills more kids every year than any other cause – including disease, homicide and suicide!
- 90% of these unintentional injuries can be prevented!

Recognizing the serious need for education and training in the areas of pediatric trauma and injury prevention, the Kiwanis Cal-Nev-Ha Foundation established the Pediatric Trauma Program in 1994. Our mission is to develop local projects, which will reduce the number of children in our District who are killed or injured by trauma. Utilizing the knowledge and expertise of our partner hospitals, the Foundation identifies projects the Kiwanis family can undertake to address the issue of pediatric trauma within their own communities. The Foundation's partnership with children's hospitals in Oakland, San Diego, Loma Linda, Madera, Honolulu and Reno connect the Kiwanis family to the issue of pediatric trauma.

The Kiwanis Cal-Nev-Ha Foundation works closely with our partner hospitals to provide funding to train pediatric doctors, nurses and first responders, to purchase much-needed pediatric medical equipment and to create or expand community outreach programs.

All of this is only possible due to the generous support of our clubs and members. Donations earmarked for PTP are spent in three major areas: grants to our partner hospitals; grants to Kiwanis and SLP clubs; and PTP safety items which are available for purchase by the Kiwanis family at a subsidized cost.

The Kiwanis Pediatric Emergency Medicine Fellowship Program, a.k.a., the Kiwanis Doctor Program

The Kiwanis Pediatric Emergency Medicine Fellowship program provides for the training of a doctor in Pediatric Emergency Medicine over a two-year period. The Kiwanis fellow will in turn offer instruction in pediatric emergency medicine to remote areas throughout the three-state region of the Kiwanis District.

The goal of the Kiwanis Pediatric Emergency Medicine Fellowship is simple: Save the lives of children by training doctors about the latest in pediatric treatment.

The Kiwanis Doctor program addresses the need to train medical personnel throughout our District on current techniques and advances in pediatric emergency medicine. Babies and children are not little people; their physical, emotional and physiological needs are vastly different from an adult's. Unfortunately, most medical personnel do not understand this as they do not receive advanced pediatric training. Our Kiwanis Doctor provides the missing link by traveling throughout our District teaching these first responders how to treat a pediatric patient.

Since 2004, the Kiwanis Cal-Nev-Ha Foundation has pledged nearly \$590,000 to Loma Linda University Children's Hospital to provide for a doctor to be trained in pediatric emergency medicine. Dr. Andrea Thorp, our first Kiwanis Doctor, completed her two-year training and with the assistance of Dr. Lance Brown, Chief of Pediatric Emergency Medicine at Loma Linda, instructed hundreds of doctors, nurses and first responders throughout our District on the latest advances in pediatric emergency medicine. In 2009, Dr. Timothy Young, our second Kiwanis Doctor, completed his two-year training. Dr. Young joins Dr. Thorp in sharing his knowledge of pediatric emergency medicine with hundreds of medical personnel throughout our District.

Recognition Programs of the Kiwanis Cal-Nev-Ha Foundation

Champions for Children - To help our donors become more involved in our projects, we created *Champions for Children*, an annual sustaining donor program. For as little as \$10 a month, about the cost of two cups of coffee, your donation will enable the Foundation to continue to "Serve the Children of the World." By joining, you help ensure the Kiwanis Cal-Nev-Ha Foundation is here tomorrow, and each day after that, supporting our families, youth and clubs, helping to make each community a better place.

Distinguished Service Award (DSA) - This Foundation award is presented to an individual - a Kiwanian or member of the community - in appreciation for "many hours of service to Kiwanis and the community." A donation of \$150.00 (which may come from a club's service account) provides a beautiful plaque and deserved recognition for the recipient. The Governor normally presents this award to a club member during the Official Visit to the division. DSAs are an important segment of the Official Visit. We suggest presidents write short introductions to be read upon presentation. To ensure timely delivery of the award, please allow 14 days for processing.

- **Recognition** - Lt. Governors and Ambassadors will be recognized at the District Convention if they have achieved 100% club participation in the Distinguished Service Award Program.

Founder's Day - The Kiwanis Cal-Nev-Ha Foundation requests participation in their annual fundraising effort. Monies received go into the Foundation unrestricted funds. A \$3.00 per member donation (\$150.00 maximum) is welcomed and encouraged. A banner patch is awarded, based on October 1st membership.

Friends of the Foundation - Individuals or clubs may become "Friends of the Foundation" with a \$100 gift to the Foundation. Members may designate their contribution towards the SLP Scholarship Fund, or designate their contribution as unrestricted, allowing the Board to allocate the contribution depending on the current need. Friends of the Foundation initially receive a beautiful plaque. A dated tab is added each year the gift is renewed.

Hope of America Award (HOA) - Clubs may purchase plaques from the Foundation for presentation at any time. The HOA is ideal for presentations to SLP members, or any student your club would like to recognize for outstanding achievement. The cost is \$30.00 per plaque, plus shipping and handling. The club is responsible for the engraving of the recipient's name.

Legacy Fellowship - This is a program supported by Kiwanians who have made a provision in their will or trust to assist the work of the Foundation through bequests. The amount of the bequest does not need to be disclosed; however, a minimum of \$1,000.00 is required.

Tablet of Honor - For a donation of \$500.00, a Tablet of Honor may be presented to a member or may be given as a memorial tribute. The Tablet of Honor is a prestigious award in that an individual cannot purchase the award for himself/herself; the award must be given to the individual. A plaque and lapel pin provided by the Foundation provides lasting recognition. In addition, an engraved nameplate is affixed to the Tablet of Honor Shield, which is permanently displayed in the Foundation Office.

William A. Dunlap Fellowship - This Foundation Fellowship honors our Founder, Past Governor William A. Dunlap. Membership is initiated by donation of \$1,000.00, which entitles the recipient to a Dunlap plaque, medallion lapel pin and personalized banner patch. Installment payments may be made over a four-year period at \$250.00 per year. Presentation may be made once the total amount is received. Clubs, divisions, or individuals may purchase a Dunlap to present to an individual. A donor may designate 50% of the net contribution to be directed to a current program of the Foundation, such as PTP, SLP Scholarships or Unrestricted Funds (which the Board allocates depending on need). The balance of the gift is permanently restricted and only the interest is used to support the programs of the Foundation.

Achievement Award Grants - This grant is in recognition of the accomplishments of your club in carrying out the objects of Kiwanis and our slogan "Serving the Children of the World." Clubs are selected by a committee which grades the "Club Service Achievement Report."
