## Rachel Benoit International Vice President Serving Western Canada

The Int'l VP performs the duties of the president in the event that he is unable. They chair at least one Int'l Board meeting, support the chair of each committee, and attend all events deemed important for their position.

**11 International Trustees** – They are responsible for making sure the districts they serve are up-to-date with international policy. They carry out the duties assigned to them by their committees and communicate consistently with their district leadership teams.

Key Club International believes in the upside down pyramid of service. What does that mean? This organization has many levels, but the members will always be on top. Notice how the International Board is on the bottom. These 13 student leaders work to serve the district, the district's divisions, and the division's clubs, and most of all the club's members.
