

What's Key Club? Do we make keys?

No, not real, physical keys. But we do create keys to a better community; keys that unlock endless possibilities of change worldwide.

Mission Statement: We are an international student-led organization which provides its members with opportunities to provide service, build character and develop leadership.

Vision: We are caring and competent servant leaders transforming communities worldwide.

Core values: Our core values are leadership, character building, caring, and inclusiveness.

Pledge: I pledge, on my honor, to uphold the Objects of Key Club International; to build my home, school and community; to serve my nation and God; and combat all forces which tend to undermine these institutions.

Motto: Caring-Our Way of Life

The Key Club Experience:

The Key Club experience is far greater than words can express. Key Club goes beyond service and leadership through building one's character. As a person one learns the importance of giving back and helping their home, school, and community through commencing various service projects. In addition, Key Club enhances a student's growth immensely during their years in high school by expanding one's horizons. Since Key Club is an international organization, students are able to meet a diverse group of people across the world. These students all share a common interest of service; which leads to a sense of family as many friendships are built. Through networking and constant learning, Key Club members become well prepared for their future.

I'm hooked! How do I join?

You can join Key Club through your high school, if your high school offers it. First, find out when your school's Key Club holds meetings or visit the booth at club rush. Next, attend a meeting. In order to become an official member, there is a membership fee of \$11.00 for the California-Nevada-Hawaii district that goes towards Key Club International and your Key Club's District. Talk to the club's president about how to go about paying this fee, as clubs have different processes of collecting dues. Continue to attend meetings, serve at events, and keep up your spirit!
