

CNH Key Club District

Pediatric Trauma Program

Kiwanis Family & Foundation Committee 2010

What is the Pediatric Trauma Program?

The Kiwanis CNH Foundation recognized a serious need for education and training in the pediatric trauma and injury prevention. From there, the foundation established the Pediatric Trauma Program in 1994.

Did you know that...?

- Unintentional injury is the #1 killer of children under 14 in the United States?
- Unintentional injury kills more children each year than any other cause (Including disease, homicide, and suicide)
- **90% of these unintentional injuries can be prevented!**

What is the goal of this program?

The main goal is to reduce the number of children who are killed or injured by trauma.

How many partner hospital's are there?

Currently, there is San Diego, Loma Linda, Madera, Honolulu and Reno

Does Fall Rally South and North benefit PTP?

YES it does! Part of the admission goes to PTP and same with the funds raised at the rallies!

Where can I find more information?
