

HOW TO TRICK-OR-TREAT FOR UNICEF IN THREE EASY STEPS

1

Create your own Halloween fundraiser. Plan a fundraiser with friends and family this year to help children around the world. You can find ideas and inspiration online at unicefusa.org/trickortreat.

2

Collect donations in your **Trick-or-Treat for UNICEF** box or online. You can order or pick-up free orange **Trick-or-Treat for UNICEF** boxes.

- For 10 or more boxes, order online at unicefusa.org/trickortreat or call 1-800-FOR-KIDS.
- Individual boxes can be picked-up at Hallmark Gold Crown starting September 1, 2008 or Pier 1 Imports and stores starting October 1, 2008. To locate the store nearest you, visit unicefusa.org/trickortreat.
- Visit unicefusa.org/trickortreat to create your own customized fundraising page.

3

Donate your funds. There are three ways to make a **Trick-or-Treat for UNICEF** donation — by credit card, Coinstar Center® or check.

- By Credit Card – Donations can be made online at unicefusa.org/trickortreat or by calling 1-800-FOR-KIDS.
- Through Coinstar Centers – For the past eleven years, participants in the **Trick-or-Treat for UNICEF** program have been able to empty the coins collected in their orange boxes into Coinstar Centers and quickly donate to UNICEF. The Coinstar Center counts change quickly and prints a receipt for the full amount of the tax-deductible contribution. Send the receipt with your name and address to the address below, and the U.S. Fund for UNICEF will mail an official acknowledgement of the gift. There are more than 12,000 Coinstar Centers across the U.S. To find the nearest Coinstar Center with the donation option, please visit www.coinstar.com.
- By Check – Checks and money orders should be made payable to the “U.S. Fund for UNICEF.”
- Please send all Coinstar receipts and checks to:
