FREQUENTLY ASKED QUESTIONS

1. Under *Submission Deadline*, What does “CC yourself” mean?

When composing the email, on the right side of the “To” box, there will BCC and CC, push the CC and type in your email, that way you have a Carbon Copy for yourself.

2. How do I receive an E-Signature?

In order to put a person down as an E-signature, you must ask his/her permission first and he/she must verify everything. Once he/she has given their permission, then you may type his/her name in the line provided.

3. Who can apply for this award?

Anyone can apply because as a Key Clubber, you are a member, no matter what elected or appointed position you hold. However, if you do hold an elected or appointed position, such as President, you may not sign off on your own sheet.

4. How do I compress my PDF files/pictures?

To compress photos, you can find various websites online. One recommended web site is: <http://jpeg-optimizer.com/>. This will easily compress your photos to make the overall file size easier. Keep in mind, a “JPEG” photo is already small enough, and would not need any compressions. To compress a PDF file you can use this website: <http://smallpdf.com/>.

5. How would I go about creating my E-Portfolio?

Create your E-Portfolio pages on “Microsoft Word” or “Microsoft Publisher.” Once your E-portfolio is complete on a Word/Publisher DOC, use a PDF file converter online to transform your Word Doc E-Portfolio to a PDF Portfolio. You can use this website to do so: <http://www.freepdfconvert.com/>

6. Why is there no set due date?

This is a division-judged contest, so your Division Lieutenant Governor is responsible for coordinating and announcing respective due dates. Each division may have different deadlines, so please contact your LTG for more information as soon as possible.

7. Why do I email a district contest to my Lt. Governor?

This contest is judged at the division level by your Lt. Governor, and then one finalist from each division is submitted to advance to District.

9. What if I would like to revise my contest submission, but have already submitted the file?

Contact your Lt. Governor for instructions to resubmit. If your Lt. Governor has already judged your submission, all decisions are final. Remember, no changes or re-judging will take place after the judges and the Member Recognition Chair have certified the results.

10. What does “Member Involvement” mean for the judging criteria?

Member Involvement is members donating money for the attire, designing it, wearing it, etc. The images submitted should address this criterion by showing a wide range of members wearing the attire and participating in its promotion.

11. What does “Visual Verification” mean for the judging criteria?

Visual Verification is proof that the design was printed and worn. The images submitted should address this criterion by showing several members at a time wearing the attire in a single photo, which would communicate that the attire is authentically made and distributed to members, and that it is not only a few articles created for entering this contest. There should also be an image of a close-up view of the design to prove that it is printed in good quality.

12. When I label the images, what do I put in place of “##”?

That is the way you order your submitted images. For the first image, you would label it as Club Attire_Club Name_01. The second image would end in 02, and so on.

13. How do I save my images as one of the approved formats (JPG, GIF, PNG, PDF, or PSD) if they are not in that format already?

Most computers have simple photo editing software, such as Paint or Preview, that can complete this function. Open the picture using one of these applications, and then go to File, then Save As, select the desired format from the drop down list titled “Save as type:”, and save it.
