Contests & Deadlines Overview

ALL CONTESTS & DEADLINES 2016-2017

Below are the various contests offered by the California-Nevada-Hawaii Key Club District. This overview is **not** a contest guideline, but rather a resource that can assist you and your club with which contests you would like to apply for. Each contest has a specific set of guidelines that can be found on the CNH CyberKey.

Please note that winners of contests judged on the division level are recognized at District Convention. Contests judged at the division level will have a specific deadline set by the lieutenant governor. All contests judged at the international level are first judged at the district level. Some distinguished winners will be sent on to International Convention and judged again.
