

UTILIZING SUMMER GUIDE

School may be over, but Key Club never stops! In fact, the summer is a critical planning and preparation period. Whether it be through planning future events, keeping busy with service projects, or preparing for the upcoming school year; you can **utilize your summer** in many ways.

Scheduling & Planning:

Service Events and Socials: Since your schedule is open during the summer, why not fill it with some service?

Attending regular service events and socials is a fantastic way to stay connected.

- Begin planning projects and socials 2-3 months in advance

Club Rush: Getting a head-up on club rush can aid you in the recruitment process when school does start up.

- Begin planning 2-3 weeks before school starts (minimum)

Financial Planning:

Budget: Create budgets for Fall Rally North/South; District Convention, and any home club expenses and endeavors.

- Excel is a great program for budgets
- Make sure to account for any revenue from summer fundraisers

Spirit Gear/Recruitment Items: Look into purchasing spirit/recruitment gear during the summer in order to hit the ground running

- Custom Ink

Maintaining Connections:

Home Club: Summer is a great time to strengthen existing relationships while creating new ones.

- Plan home club board meetings to discuss the upcoming year
- Review areas for club improvement
- Keep in touch with your advisor

Kiwanis:

- Include Kiwanians in club updates
- Attend Kiwanis meetings and DCMs

General To-Do:

Educate Yourself: Even though school is out, make sure you keep learning.

- Attend Leadership Conference
- Read books

De-stress: Last but not least-take care of yourself. Have some fun, relax and rewind, and just live a little.

- Go to a fair, the beach, or hiking. Travel. Adventure. Rest.
- Bee happy!!!
