

WHAT'S KEY CLUB?

DO YOU MAKE KEYS?

We don't make *real, physical keys*, but we do create keys to a better community, unlocking positive change and potential in student leaders.

Mission Statement: We are an international student-led organization which provides its members with opportunities to provide service, build character and develop leadership.

Vision: We are caring and competent servant leaders transforming communities worldwide.

Core Values: Leadership, Character Building, Caring, and Inclusiveness

Pledge: I pledge, on my honor, to uphold the Objects of Key Club International; to build my home, school and community; to serve my nation and God; and combat all forces which tend to undermine these institutions.

Motto: Caring - Our Way of Life

The Experience

Being a Key Club member is an experience far greater than words can express. While we are a service leadership organization, we as students learn and experience so much more. We build character as we learn the importance of giving back and helping our homes, schools, and communities through various service projects.

Your experience as a high school student will be incredibly enhanced by joining Key Club. You will grow as a person and expand your own personal horizons and goals. As an international organization, we are able to meet people just like us from all over the world. We all share a common interest of service and leadership, and through this, friendships and a sense of family is built.

HOW CAN I JOIN?

You can join Key Club if there is one chartered in the high school you attend! Attend an orientation or club rush to see when they hold general meetings and obtain more information about Key Club.

To become an official member of Key Club International, you have to pay a membership fee of \$11.50 that goes to both the California-Nevada-Hawaii District and Key Club International. This money is used to serve you as the district and international officers use them to ensure you have a fantastic year. Contact your club president or club treasurer on how to pay this membership fee, as each club collects and processes dues differently.

From there, continue attending meetings, service events, training conferences, and more!
