## Hello Cali-Nev-Ha Key Clubbers!

Welcome to the 70th Annual District Convention! During the weekend, I hope that you will create many wonderful memories with your fellow Key Clubbers through the numerous opportunities available for you. Attend a number of the inspirational workshops waiting to help you strengthen your leadership skills, provide you with more knowledge on various topics of the organization, and prepare you for a successful year. Moreover, involve yourself in the elections process by meeting and interacting with all the candidates seeking District Office or International Endorsement.

To those of you who are a delegate, congratulations! You have been given the wonderful privilege of determining the new board of 2016-2017 leaders for our district and possibly, international. You will be able to vote on your club's behalf for the District Governor, District Secretary, District Treasurer, and International Endorsement Candidate. This is a huge responsibility for you, as you are representing your club, so prepare well! Make sure to review the candidates' campaigns prior to House of Delegates and caucus sessions. You can use the information from all the campaign profiles to brainstorm questions, which you may either ask the candidates during the caucus session or at the Candidate Meet & Greet. Through both of these opportunities, your decision on who to vote for, will be much easier, so please take advantage of them!

This Candidates Booklet has been created to help you prepare to be the best delegate possible. You will find information on The Candidate Meet & Greet, Caucus Questions, Caucus Procedures, House of Delegates, and specific duties of each office. In addition to that, all the candidates' campaign materials have been included in this booklet!

We hope that you will find everything in this booklet helpful in making your final decision. If you have any questions, comments, or concerns at all, please do not hesitate to contact me!

Also, we thank each and every one of you for another year outstanding of service!

Buzzing with Slices of Service,

*Kai Sampadian*

Cali-Nev-Ha District | Key Club International

# Resolutions

*The following resolutions are those to be presented on behalf of the California-Nevada-Hawaii District Board to the House of Delegates for approval on Saturday afternoon. The purposes of these resolutions are to acknowledge persons for their performance and to identify programs that are important to the Key Club program.*

"WHEREAS our California-Nevada-Hawai'i Key Club District has completed **over 800,000 hours** of service, raised **over \$170,000 for the Pediatric Trauma Program**. Let it be RESOLVED that our Key Club members have made a positive impact in their home, schools, communities, and the world through the vehicle of service

WHEREAS Key Club District Governor Joshua Nuesca, District Secretary Amir Patel, District Treasurer Mary Kim Delemos, Tech Editor Tatiana Lim, and District News Editor Tina Bui have led our district to all time heights in reaching our goals to making a GOLDEN year in service, leadership, fundraising, and education. Let it be RESOLVED that we are grateful for their hard work and their commitment to service.

WHEREAS Communications & Marketing Chair Mia Hallmark, District Convention Chair Emily Nguyen, Kiwanis Family & Foundation Chair Clevian Hsia, Member Recognition Chair Giselle Kim, Member Relations Chair QuynhAnh Dam, Policy, International Business and Elections Chair Kai Sampadian, and Service Projects Chair Andriyah Anouvongs have gone above and beyond in their duties to achieve their set directives to further educate, implement, and conduct through their focuses along with their committee members. Let it be RESOLVED that we are grateful for all their efforts and hard work by all attendees.

WHEREAS International Trustee Hojin Yoon has done a superb job of providing support to the CNH District through his service in keeping the district updated with International updates and helping the PIE Committee accomplish their directives in International Business. Let it be RESOLVED we are grateful for his hard work and dedication.

WHEREAS District Administrator Mr. Marek Leblanc, Assistant District Administrator and Mr. Marshall Roberson have spent countless hours to guide the 2015-2016 District Board and Region Advisors in all business and affairs pertaining to CNH; and WHEREAS their guidance has made this convention a huge success. Let it be RESOLVED that we are grateful for their service.

WHEREAS Director of Service and Leadership Programs Bruce Hennings and the Kiwanis District Office Personnel have served our district tirelessly; and WHEREAS Mr. Hennings and the Kiwanis District Office Personnel's have guided the Key Club CNH District, let it be RESOLVED that their dedication has made the 2015-2016 administrative year a great success.

WHEREAS the Region advisors, faculty advisors, and Kiwanis advisors of the CNH District have given countless hours of their time to provide support to guide the members of either the region, divisions, or club to help them grow as servant leaders and serve their home, schools, and communities. Let it be RESOLVED that we are thankful for their efforts.

WHEREAS these individuals and committees responsible for the success, funds raised, and charity preformed by CNH to our home, schools, and communities. Let it be RESOLVED that the 2015-2016 District Board's, known as the "EterniBEEs," ceaseless dedication to service has brought our district to an outstanding year full of new goals reached, growth, and service performed. The entire District Board is proud of the members of the CNH District and that without them we could never have reached our goals and made the CNH District the outstanding District that it is.

# Information for Delegates and Members

## Candidate's Color Key

**Governor: PURPLE**

**Secretary: BLUE**

**Treasurer: YELLOW**

**Endorsement: RED**

To help you identify the office that each candidate is running for, the colors on the right have been chosen for each position. Be on the lookout for these colors during Meet the Candidates and caucus session!

## Meet the Candidates

Meet the Candidates provides a time for you to personally speak with each candidate and learn more about them. You will be able to review their campaign ads at their booth and ask questions. With a greater amount of time allotted than the caucus session, it will allow you to better understand the goals and qualifications of the candidates through longer explanations and responses. This will play a big role in your final decision of who to vote for.

## Delegates Meetings/Registration

Please note that Delegates are to attend certain meetings and training seminars. Check your convention program for the following functions:

- Delegates Mandatory Meeting
- Delegate Training | Seminar

On the Friday of Convention Registration, there is a separate registration booth for delegates. It is organized by the name of the club. For example, if you club name starts with A-L, you will go there. Delegates must be present at registration to receive delegate badges and printed candidates booklet.

# Elections Process | Caucus Session Procedure

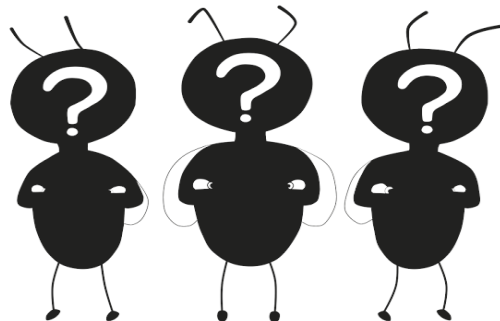

**What is caucus?** Caucus is where each district and international candidate is given a set period of time to give a brief speech that speaks of their goals and qualifications, and then they answer questions.

**Caucus Rooms & Moderators:** Caucus rooms are set up by regions, so check your convention program for which caucus room you have been assigned. In each caucus room, there will be two Lieutenant Governors and a region advisor. One Lt. Governor will serve as the caucus moderator, while the other one will serve as the assistant caucus moderator. The Region Advisor will serve as the adult moderator to help the Lt. Governor keep order. These moderators will time the candidates and deem which questions are appropriate or not, based upon whether the question is in bad taste or of a harassing nature.

**Candidates:** All candidates running for district office or international endorsement will appear in the caucus session and the timer will begin once they enter the room.

**Etiquette:** The candidates are not to be touched, asked to ingest any material or asked to partake in any behavior that is in poor taste. No objects may be thrown or propelled by any means in the Caucus rooms. Rude behavior will not be tolerated. Persons are not allowed to enter or leave the room while candidates are present.

# Elections Process | *House of Delegates Procedure*

**Procedure:** Each club is allowed two delegates, who must be registered prior to the House of Delegates. The House of Delegates members will listen to speeches and answers to questions from each of the candidates and vote by ballot for the candidate of their choice. Questions from the floor may be allowed at the discretion of the Governor.

**Purpose:** The House of Delegates provides a forum for the candidates for each office to present their final message to the District delegates, and where delegates vote for each position. This is where the delegates will give their final vote! After the Governor convenes the House, delegate entry and exit will only be allowed during periods between candidate presentations.

**Candidates:** If there are more than two candidates for an office or more than four seeking endorsement, then a nominating conference will be conducted. After the nominating conference, two final Executive candidates and up to three endorsement candidates will appear on the final ballot.

**NO CELL PHONE or any other Electronic Device USAGE IS PERMITTED** during House of Delegates.

**Nomination Conference:** If this is necessary, the candidates will be introduced to the Conference and voted on in the following order: Governor, Secretary, Treasurer, and International Endorsement. There will be no speeches or questions. Results will be announced prior to the closing of this session. Nomination Conference will be conducted for the following position: *Governor* and *Treasurer*.

**International Endorsement:** International rules state “A district shall endorse no more than one candidate for the office of President or Vice-President, and two candidates for the office of Trustee.” This year, there is one candidate for endorsement, for Vice-President; therefore delegates are to choose whether to vote “yes” to endorsing the candidates or voting “no” to not endorsing the candidates.

**Spectators:** A spectator section, separate from the delegate seating area, for non-delegate members and adult chaperones will be provided. Spectators may not sit with or talk to the delegates, nor take part in the process. Silence must be observed at all times. Entry and exit of spectators will only be allowed during periods between candidate presentations.

**Election Results:** The results of the ballot voting will be announced during the Saturday evening General Session.

# Elections Process | Caucus Questions & FAQs

**Why are you running for this particular office and how can you strengthen and influence the CNH District?**

Since my first service event, I knew that Key Club was going to be more than a simple extra-curricular activity for service hours. This organization was to be a family that would stir growth within myself, offer innumerable opportunities, and ultimately lead me to become dedicated to serving others. Key Club members and events began to build excitement in me and now more than ever continually improve my overall outlook in serving my community. Soon this excitement grew as I began first serving members as club vice-president and later as Lieutenant Governor for Division 31. It was through these positions that I felt my passion in being a servant-leader grow and grow. Witnessing members experience the same passion, inclusiveness, and positive-changing efforts made by Key Clubbers as I had, truly became my motivation in serving and assuring they experienced their own Key Club moment. Running for CNH District Governor means so much more than just another position. My passion in running for this position is about striving for improvement throughout this district and always making an effort to achieve higher while also stimulating an even more inclusive environment for the bees of CNH. As governor, I will strive to instill the same efforts of development that I have always put forth in all that I do.

I want to ensure the inclusive distribution and promotion of ALL that CNH has to offer in order to stimulate membership but also to retain membership in an effort to further display the immense opportunities this district has. Through my positions of both club VP and D31 Lieutenant Governor, I've witnessed first-hand the difficulties to be faced by the leaders of CNH. However, I have also learned through my own trial and error the necessary steps to take in order to break through such obstacles and further propel toward improvement and growth. I am confident in my ability to assist CNH leaders and I will strive to extend resources through publications, manuals, and communication in order to increase improvement within each club, division and specifically the district. I am committed to serving the members that comprise and make this district thrive. I believe in the power of communication and will utilize tools that facilitate the sharing of ideas. My platform includes many other points and ideas I have in an effort to influence and strengthen the CNH District in a positive direction, so be sure to check it out! Overall, through my past experiences and my determination to see growth and development within each member, club, division and this district, I assure that as your District Governor I will dedicate my efforts into achieving growth, and going above and beyond in the duties of governor. Vote for me and let's FOCUS on achieving an incredible year of growth, establishing a new legacy for CNH!

**What was the most meaningful experience of service that you have experienced in Key Club? What made it so?**

By far, the most meaningful experience of service for me was my very first service event as a freshmen into Key Club. I was extremely nervous about attending this event as I found out that I wouldn't know any of the individuals attending. To my surprise, I was introduced to a group of individuals that truly exemplified the Key Club core values. Instead of an uncomfortable and lonely introduction to this organization, I immediately felt as if I had found new family or ohana as many know. But it didn't stop there. This event was a Halloween carnival in which Key Clubbers manned games and activities for children to participate in. And the joy I found in volunteering with these children and ensuring they had fun time as well as serving alongside fellow Key Club members was truly my Key Club experience. The passion and love I saw in members serving their communities flourished within me and still to this day it is this joy that CNH bees have in striving to improve their home, schools and communities that motivates and inspires me each and every day. I strive to show all members the same passion, inclusiveness and love at events as I have had, and that has overall inspired me to dedicate myself to serving.

# KEVIN MYRON

## DISTRICT GOVERNOR

### Candidate

### Hello Bees!

My name is Kevin Myron and I am running to serve you as your District Governor for the 2016-2017 term. From my very first service event, I knew my passion for the overly spirited and inclusive atmosphere that CNH exemplifies would only flourish. Since then, I have been elected to serve as club VP and later Division 31 LTG where I grew in my leadership, speaking, and communication skills. Through both of these positions, I understand the obstacles to be faced ahead by club officers and division leaders and I am confident in my ability in providing assistance to all leaders of CNH. These opportunities in serving members reinforced my passion in providing members both growth of leadership/skills and ensuring a positive changing experience for ALL members. This district has offered me service, leadership development and invaluable opportunities. If elected governor, let me assure I will strive to promote the same inclusiveness and positive experiences as I have received.

Let's be clear, this is not some position to put on my college apps; this is a passion and love I have for this organization and district. Words cannot express the excitement I have leading up to Key Club events, witnessing members create lasting memories, and the joy within myself knowing I have served members to the best of my ability. This position is an opportunity to give back all I've been offered by CNH and that members develop the same enthusiasm I have grown to have for this mighty district. I assure, if elected Governor, I will serve tirelessly, dedicate myself to the members across Cali-Nev-Ha and specifically, FOCUS on striving for growth and improvement all throughout CNH!

District Governor Candidate,  
Kevin Myron

## PLATFORM & GOALS

*Together, let's FOCUS on striving toward further improvement within our expansive district, creating an overall more connected, higher achieving and inclusive environment.*

### FACILITATE GROWTH

Any amount of growth, big or small, is worth celebrating! If elected governor, I will strive to conduct two calls to each DB member utilizing summer to establish goals of growth, winter break to reflect/re-emphasize such goals & to overall stir district connection. I'll also create publications to the benefit of officers in bringing growth within their club & community.

### OPTIMIZE COMMUNICATION

Ensuring the distribution of district & international updates to ALL members within the district via email and publications is essential to keeping inclusive on all information. Furthermore, by creating quarterly district executive videos we can provide another method of communication to membership rather than just words in an email or on a page. Communication is crucial!

### CAPTIVATE MEMBERSHIP

While CNH excels in membership, let's focus on retaining such membership and growing off it by making individualized divisional growth plans with each LTG and continually provide members with further leadership and service opportunities. Let's encourage the promotion of the Cyberkey and district programs to display all CNH has to offer to ALL members.

### UNITE CNH DISTRICT

If elected to serve as governor, I will strive to ensure and promote Kiwanis relations with Key Clubbers and vice versa in all meetings, events, and communication with both Kiwanis leadership and Key Club officers/members. As well, through a district growth initiative pen-pal system, let's connect officers and members across CNH to exchange ideas & spread ohana.

### SERVICE EMPHASIS

Service is an essential keystone to the mission of Key Club so let's focus and emphasize on the preferred charities/major emphasis as well as the 50-hour service goal by each and every member through publications, reminders, and incentives. With a membership of over 40,000 if just 60% met this goal we could far surpass and achieve our current service hours.

#### Qualifications

- Division 31 Lt. Governor '15-'16
- VP of Valhalla's Key Club '14-'15
- Red Cross Club President & Founder '13-'15
- VHS School Site Council Member '13-'16
- Red Cross Ford Youth Preparedness Council Member '14-'16
- Cumulative Weighted GPA 4.4+
- 10% Membership Growth in Division 31
- 40% Service Growth in Division 31

#### Goals

- Conduct 2 calls with DB members to set goals, reflect and bring further connection to CNH
- Emphasize AND educate on both preferred charities & major emphasis
- Collaborate with District Executives to create quarterly update videos on CNH/Int'l info
- Establish an overall atmosphere of growth on the district, division AND club level
- Promote further Kiwanis & Key Club relations
- Focus on inclusion for ALL of CNH members

**Why are you running for this particular office and how can you strengthen and influence the CNH District?**

Key Club has provided me with a second family, the ability to find confidence in myself, and the chance to work with amazing people. I have been able to serve CNH with much pleasure and CNH has given me so much. So, it is my turn to take responsibility and assist this District with anything I can do. I would like to become Governor because this position would help me progress as a leader. Not only would I be able to improve my leadership skills such as public speaking, but I would also be able to further serve my community. Becoming Governor would help me to further achieve my goal of making a difference in the world. The emotion felt when assisting others is so thrilling and satisfactory. I hope to inspire others to become involved with Key Club, and lead them into a path of success and merriment. I plan to strengthen our already wonderful district by using effective communication between officers, members, advisors, and International. I want to ensure that members and advisors are updated with the latest news of our accomplishments. Displaying and showcasing appreciation to members and advisors is vital because each and every member and advisor has made an impact on someone's life. Providing resources and encouraging growth will allow for proper training of our officers and future leaders. Obtaining the knowledge provided will allow the officers to relay effective information to the members.

I would also like to strengthen our Kiwanis bond by encouraging communication through email reflector groups and in-person interaction such as, Kiwanis family service projects and fundraisers. Consistent communication with our Kiwanis Family will ensure improvement in our clubs, divisions, regions, and district. I hope to motivate and empower the very members and officers around you today and in the future. The very people who strive to reach their highest potential. The very people who want to improve our community and district.

**What was the most meaningful experience of service that you have experienced in Key Club? What made it so?**

The Pasadena Rose Float Decorating Event is one of my favorite service events. This time of year is very majestic with all the cheer, the lights, and festivities. Being able to meet and see different Key Clubbers from different areas at this event is awe-inspiring because it depicts the impact we have as a community. There are thousand of Key Clubbers who attend this service project because they were influenced by the joy and excitement broadcasted on members' and on others' faces in promotions and on the day of the parade. All of those volunteers come to make a difference. They have taken the time to make someone smile and improve the community. Seeing the completed floats on January 1st is so rewarding. Whether it be in our homes or on the streets of Pasadena, we are able to experience our hard work in action. Bringing people cheer and relief from a hard year, stress from work, etc. is service. We make a positive impact on peoples' lives and that is what matters most.

2014 Outstanding Vice President

2015 CNH District Lt. Governor 100% On-Time Submissions

**Why are you running for this particular office and how can you strengthen and influence the CNH District?**

From the moment I submitted my application for a Club Level Freshman Class Director position to the second my name was announced at Region 17's 2015 Conclave, I have taken every opportunity Key Club International offers its members to grow and develop their leadership capabilities. Serving as a leader in Key Club allowed me to build my character and experience the profound impact from the members I serve. As a past Club Vice President and (soon-to-be retired) Division 12 East Lieutenant Governor, I have learned one, crucial lesson to being an effective leader: the largest source of inspiration I need in order to drive my persistence and motivation derives from the members. Numerous time throughout my term, I have experienced crises where problems arose and solutions seemed impossible, but I always found the courage to forge ahead in the members I serve. As District Governor, I know I will enjoy learning from all of the accomplishments of the CNH District. I would be so honored and humbled to represent the entire District that has inspired me to become the person and leader I am today. My former leadership experiences in Key Club have strengthened my communication, management, and organizational skills.

Division 12 East surpassed both our service hour (17,000+/15,000) and membership goals (838/800), and we have yet to achieve our fundraising goal of \$3,000. I will utilize the skills I learned in promoting and accomplishing our goals in order to exceed the district's goals for the new term. I have witnessed exponential growth in membership involvement in Division 12 East this past term, including the chartering of a new club in the division. In order to aid the division's growth, I have worked closely with the club officers to promote more service and activity, maintained constant communication with the Kiwanis advisors, and increased division participation at regional and district events. As District Governor, I will transcend the successes of Division 12 East in order to increase overall membership participation in the entire CNH District by utilizing the Google Reflectors effectively and providing opportunities for members to allow their voices to be heard throughout the district with a district spotlight corner and greater promotion of the Cyberkey.

**What was the most meaningful experience of service that you have experienced in Key Club? What made it so?**

My first service event with Key Club was the Salvation Army Back to School Shopping event the summer before my freshman year. It was my first time volunteering and I did not really know what to expect, and I was nervous because I did not know anyone else who was also going to be there. The student-event coordinator I volunteered with was the exact embodiment of a Key Club member: she exuded the four Key Club core values, showcased her caring personality in the kindness she offered, and made me feel like I was already part of the Key Club family. During the event, I assisted an eight-year-old boy named Andy who recently immigrated from Vietnam. He came from a low-income family and I was helping him shop for his first day of school in America. He did not speak an ounce of English, and I did not speak an ounce of Vietnamese. We communicated with each other through simple gestures, such as a head nod or a smile. After the event, I took him back to his family, who eagerly waited by the entrance of the building, and I was taken aback to see them so excited about his new purchases. It amazed me to see how trivial the problems in my life seemed, and it made me appreciative of the things I had and thankful for the ability to experience firsthand change in my community. This event truly inspired me and taught me the value of service and how great of an impact I could make just through acts of volunteerism. It motivated me to attend more service events and encouraged me to pursue more opportunities to engage with my community.

**Why are you running for this particular office and how can you strengthen and influence the CNH District?**

CNH District is one of the largest districts out there. From our major service projects to the great accomplishments we've met, CNH is golden. However, I feel that CNH can still grow in greater ways especially in our service to the members and as a District Governor Candidate, I believe I can travel and lead CNH on this path of growth. Not just that, Key Club has left an impression on me that I would like to leave on other Key Club members who are beginning to start their journey. And I hope that one day, they will be able to cherish this wondrous organization that earned a special place in my heart. From an organization so great as Key Club, it has truly inspired me to reach for the gold and I want the members to experience this feeling as well. The feeling of ambition and hard work is one-of-a-kind and I want to share this with the members as they begin or continue their Key Club Journey. I've also decided on running for District Governor because I know this District can strive for greater heights! We have the quantity and our quality is great but I know that we can achieve greater quality this upcoming term.

I will emphasize education throughout the District especially on our other preferred charities, structure, and district objectives while also sharing the leadership opportunities in Key Club. I've served as a past club treasurer and am currently serving as the CNH District's Member Relations Chair, with these experiences I truly believe I can lead CNH on a path like no other. Because I've made a massive transition from Club Level to District, I feel that I have been able to experience and understand what both ends need and is capable of. I've understood how a club functions as a treasurer and as a District Chair I've been exposed to how the District Board functions; from working with Lieutenant Governors and seeing how each Division works, and participating in Leadership Team Calls with the Executive Bee Team; I've learned all about the infrastructure of Key Club. With these experiences, I am confident that I can take CNH on this PATH of Provision, Aspiration, Trust, and Heights if elected as your next District Governor for the term of 2016-2017. Join me in finding your own PATH today.

**What was the most meaningful experience of service that you have experienced in Key Club? What made it so?**

The most meaningful service experience for me in Key Club so far was the opportunity to serve members as a District Committee Chair. As much as I love service to the community, handing out water bottles, cheering on marathon runners, and waking up as early as 5 AM just to do so, serving the members has earned a special place in my heart. Every moment that I serve becomes a golden moment to me and as I think back to the sleepless nights and crazy tasks assigned, I don't regret any of it. Serving as a chair was the most meaningful experience to me because it made me realize something very important about leadership and service. What did I realize? I realized that as a servant leader, it does get lonely at times and not all of it is golden, sometimes members don't even know who you are or what you do. This is such a large district and understanding every single little feature of it is near to impossible. But after serving this past term as a district chair, working with the Executive, Leadership, Coordinator Teams, and Lieutenant Governors from all over the District has made me realize that it really doesn't matter because serving the members and helping them to the best of your ability is what matters the most at the end of the day. I've met so many remarkable individuals along this journey I took and I don't regret any of it. Serving as a District Chair, not many know what that is or what they do and that experience is very different from what a Club President or Lieutenant Governor may feel, but that feeling is what makes serving as a chair the most meaningful experience because it helped me realize that service does not need recognition. It helped me realize that to lose yourself in service for others is the best definition possible for a word as golden and precious as "service".

As District Governor, I will **PROMOTE** resources and service to CNH. This district has valuable resources that lack the proper promotion and as Governor, I will improve this by utilizing reflectors, the Cyber Key, and social media to their fullest potential. While additionally creating district updates quarterly through videos on our service progress.

A

To enhance the members' experience, I will encourage members to **ASPIRE** for more leadership opportunities within Key Club. To do this, I will develop a system that will enable members to receive information about leadership opportunities more efficiently and proactively throughout the term.

T

**TRUST** is an important aspect in leadership and communication as a whole. Through my experience serving as the District's Member Relations Chair, I developed trust as a vital essential to leadership and if elected as Governor, I would like to carry on trust amongst the District Board (DB) by reaching out to each DB member.

H

Quality over quantity! CNH is a large district; however we lack general knowledge about core aspects such as: our Preferred Charities, Structure, and District objectives. To improve on this problem, I will bring CNH to greater **HEIGHTS** by emphasizing these areas throughout the term.

**Why are you running for this particular office and how can you strengthen and influence the CNH District?**

My Key Club Journey has been nothing but growth and happiness. Cliché as it may sound, I would never be the same person I am today without this organization. I have experienced the peak of life and the lowest pit of my life throughout these three years, but the happiest ones are from Key Club. In a nutshell, I have learned to serve the community and find happiness in it and of course, developed stronger communication and leadership skills. I have served a multitude of positions in the past - from Freshmen Class Representative to Club Secretary to Executive Assistant to Lieutenant Governor. All of these experiences were unique, but running for District Secretary will give me the most unique experience to be able to serve all 45,000+ members of CNH.

I want my last year in Key Club to be memorable, and serving as your District Secretary will allow for me to gain skills that I haven't already. Being elected District Secretary doesn't give me the title - it gives me the opportunity to learn, grow, and serve all you amazing individuals that make up our district. Through the position of District Secretary, I can strengthen and influence the CNH District by encouraging on time submissions, creating resources for secretaries (infographics), holding webinars for secretaries as needed, sending out emails through reflector groups, and having monthly updates either in the form of digital media (videos) or emails. The skills that I have gained from serving in the Kiwanis Family for the past three years have already prepared me to reach these goals because I have experienced serving this district on many levels. These goals that I listed will not just be goals that are written on here - because they will be accomplished and become reality. I will influence this district by serving as a role model and leading by example. **As Elin Hilderbrand once said, "To be early is to be on time, to be on time is to be late, and to be late is to be forgotten." This is the quote I live by everyday when I am completing my tasks - whether it be homework or Key Club work. I BEElieve that reaching my goals and leading by example will influence the CNH District in the best possible way. A vote for me is a vote for the WORLD. We can better this district by electing me as your District Secretary for the 2016-2017 term.**

**What was the most meaningful experience of service that you have experienced in Key Club? What made it so?**

There is no way for me to narrow down to just one service event that is meaningful to me because every single service event I attend has meaning to it - it embodies the value of service, the time we take out of our lives to impact the community, and the ways we are transforming to leaders of the WORLD. Every event is an event to remember, an event to find meaning to, and an event to become my next "Key Club Moment". I find every service event meaningful because they all have an immediate impact one way or another. A simple "thank you" or warm smiles from people is already enough to show that our efforts aren't going unrecognized. That's why I love and enjoy being in Key Club so much - it always feels like my efforts go into a melting pot that eventually gets molded into something to change the world.

**Why are you running for this particular office and how can you strengthen and influence the CNH District?**

I am running for the District Treasurer position because I would love to continuously serve, give back, and provide the best resources to our wonderful organization called Key Club. Kenny Ausubel, an award-winning author, once stated, "each of us has a spark of life inside us, and our highest endeavor ought to be to set off that spark in one another." This quote has always been my reminder as to why I am serving as a Key Clubber. as an assistant, a mentor, a friend, and a supporter.

As a freshman, entering high school, I had that spark of desire to serve my home, school, and community, but I did not know where to begin. When I was lost, the people that I met through Key Club have guided me to become who I am today by showing me the key to success, which is learning by helping those who are in need of help. Just like this, I would like to pass on and spark the service in others as a District Treasurer. As the 2015-2016 Division 44 North Lieutenant Governor, I have seen both successes and failures. As a division, we have laughed, cried, hugged, and depended on each other during those times. It is not easy to get sparked to serve, however, I know that having set goals and a positive mindset, I will spark the desires to serve. In the beginning of the Lt. Governor term, I recognized the problems my Immediate Past Lt. Governor encountered and used that information to establish goals that are considered S.M.A.R.T (specific, measurable, attainable, relevant, and time-bound) in order to strengthen the division I serve. Through countless hours of planning, revising, hosting workshops, making video tutorials, calling, emailing, etc., Division 44 North was able to achieve ALL of our goals by the 3rd quarter as a FAMILY. We did not achieve this as individual clubs, schools or community. One spark of service sparked another and so forth. I will strengthen and influence the CNH District by utilizing the skills that I have gained serving as a District board member and incorporating other lessons that I have gained in activities outside of Key Club. I will create more intimate bonds with District board members, in addition to Club Treasurers through the webinars, personal calls, emails, and more that I plan to put forth so that members can rely on me throughout the term

**What was the most meaningful experience of service that you have experienced in Key Club? What made it so?**

The most meaningful experience of service that I experienced in Key Club was making blankets for children who were going through the tough period of time in the hospitals. This project is very special to me because I once was a child who received a blanket from a group of high school students. When I was 5 years old, I was hospitalized for 2 weeks because I had to get my adenoids removed, which caused me to stop breathing in my sleep. After my surgery, when I was crying due to the pain, I clearly remember a group of high school students coming into my hospital room with big smiles on their faces. They gave me a handmade blanket, which was made by them as a service project. Although those students were not my age, I felt their genuine concern and care towards me. To this day, I still own that blanket and it is used as a reminder of how those students sparked inner service in me. Therefore, my past experience as a hospitalized child receiving a simple blanket has given me the ability to connect and spark hopes in the hearts of those children in the hospitals.

**Why are you running for this particular office and how can you strengthen and influence the CNH District?**

I am running for this particular office because I believe that I have the most knowledge in this position than the others. Also I ran for this office position so I may challenge myself so that I may better my skill as a member and a leader. I can strengthen and influence the CNH District by using RISE. R is to raise more money for our preferred charities so that the money may help the charities research and save lives. I is to inspire the CNH District and to improve communication within the District. I would inspire others by doing service and promoting to do the same. To improve communication, I would email and set up teleconferences with LTGs monthly to see how their division is doing. S is to support my fellow CNH Board Members and District by being available whenever they are in need of help. E is to enlarge our Ohana. To enlarge our Ohana, I will promote turning in the membership dues by emailing the LTGs a poster that they could send to their Division via email.

**What was the most meaningful experience of service that you have experienced in Key Club? What made it so?**

The most meaningful experience of service that I have experience was Relay for Life West Youth. This was a very great experience because we had to walk around the track in support of cancer. This event was a 12 hour event that lasted from 6 PM - 6 AM. There were many clubs in support of this organization, American Cancer Society. All the people that attend made it so meaningful that it was an unforgettable experience of Key Club. There were also other activities that we could do and items that we could buy in support of this event.

## About Me

Hello CNH Bees!

My name is Antonio Morales Jr. and I am running to **BEE**come your next District Treasurer for the 2016-2017 term! I currently am a junior at West Career and Technical Academy as a biomedical student. I am serving as a 2015-2016 Club Treasurer in West CTA Key Club. Becoming the next District Treasurer may be tedious and have great responsibilities but I know that I am confident that I will have the ability to accomplish those responsibilities. With the knowledge that I have gained from the 2015-2016 term and having the ability to lead, I know that will be able to improve the CNH District. I hope that I will be able to help lead such a huge **Ohana**. My goal is to help our District RISE to go above and **BEE**yond.

## R.I.S.E.

- R**aise more money for our preferred charities. Raising money for our preferred charities is important. We, as an Ohana, can make a change to the community and help save lives of others. I will help discover and create ideas of different fundraisers that members of the District may use.
- I**nspire members to help the community and improve our communication with each other. Key Club wouldn't be passionate for service if it weren't for the members constantly inspiring others to help the community. I will help and promote the meaning of Key Club to the members through the CNH Cyberkey. And to improve our communication, I will communicate with every LTG through teleconferences or email throughout my term.
- S**upport my fellow board members and the CNH District. An officer must fulfill his responsibilities but as well assist in others that are in need of assistance. I would assist my officers by constantly communicating with them if they are in need of help.
- E**nlarge our Ohana. Having a large Ohana means that we could have more members inspiring others to make a change to the community and to promote Key Club. To enlarge our Key Club family, I will teach the importance of membership dues so our CNH District can prosper!

**Why are you running for this particular office and how can you strengthen and influence the CNH District?**

Ever since I began my adventure through the world of Key Club, I knew that this organization was going to change me. During every minute of the day, a Key Club member somewhere is making a difference in his or her home, school, and community. This is what fuels my passion for this amazing club. Becoming the Cali-Nev-Ha District Treasurer is not about the title, it is about the service. I am running for the Cali-Nev-Ha District Treasurer because I believe that our golden district has so much potential to reach even greater heights than it already has. I would like to wake up one day and see CNH with a huge increase in Dues payment, chartered clubs, and of course, passionate members. As District Treasurer, I wish to see Cali-Nev-Ha thrive.

John Quincy Adams once said "If your actions inspire others to dream more, learn more, do more and become more, you are a leader," and that is the mentality I want to bring into leadership for Cali-Nev-Ha.

Personally, I have served as the 2015 - 2016 Division 42 East Executive Assistant. During my term, I have seen numerous great successes, but I have also seen a few downfalls. However, I have learned so much from these experiences. With these lessons learned, I have blossomed into a servant-leader. I will use this to pass on the true meaning of service and leadership to every single member in Cali-Nev-Ha, regardless of their background. I am ready to bring my passion and dedication to the District I love. In short, CNH, I am here for you, and I am ready to serve and represent you to the best of my ability. Let us all work together every step of the way to make sure our District thrives!

**What was the most meaningful experience of service that you have experienced in Key Club? What made it so?**

If I had to pick, it would definitely be the annual "Give Back Game" that a local Kiwanis club in 42E hosts. This event is an action-packed basketball tournament with Key Clubs, Kiwanis Clubs, and other service groups in the community competing, with proceeds going to a local food bank for the homeless. As I was working the concessions, I noticed something that was resonating all throughout the venue, unity. Although we were from different clubs (both Kiwanis and Key Club), service organizations, and different walks of life, we were all having such a good time doing what we do best, bettering our community. This moment made me realize something, although members may be from different backgrounds, we can all still unite with our love of service. This is what I want to bring to CNH. What I experienced at the "Give Back Game" is something I will never be able to experience anywhere else, and I am so happy I volunteered there. Seeing unity in action is such a powerful moment that I cannot take for granted. Because of that day, I push myself to recreate a sense of unity wherever I go.

## Shahrukh Shaikh | District Treasurer Candidate

Hello CNH Bees!

My name is Shahrukh Shaikh and I want to serve **you** as the 2016 - 2017 Cali-Nev-Ha District Treasurer! I am from Southern California and a current junior at Santa Susana HS. Because of Key Club's **amazing** spirit, passion and members, I have blossomed into a **leader** that is ready to serve on all occasions. As District Treasurer, not only do I want to **strengthen** the District, but also, create new opportunities for **you**! Ultimately, I will strive to make **caring, everyone's way of life**. So let's get ready for a year full of service, leadership, and family!

### Teamwork!

To make sure that we all reach success, I will strive to have every

-one work in a **cohesive team**. With this, anything can be done and **bonds** will form!

### Heroes!

Every member of CNH is truly a **hero**. If I am elected, I will ensure

that **all** treasurers receive proper training to unlock their inner potential for leadership and service.

### Reach!

CNH is separated by an ocean, mountains, canyons, the list goes on!

This does not mean we can't be an **ohana**! As District Treasurer, I will **reach** out to members all over CNH.

### Inspire!

We need leaders in CNH. I will work tirelessly to **blossom** future

leaders that will lead our District in future generations. **Inspiration** is the key to success and our future!

### Value!

No matter what happens, I will **value** every single member in CNH.

Also, I will spread the message of how to **value** service, leadership, friendship and of course, members.

### Educate!

**Education** is an important tool that I will use to reach my goals for

our wonderful District. Also, I will ensure that all officers have **full support** from the District Board.

## Together, **we** can make Cali-Nev-Ha **THRIVE**.

### Goals & Ambitions

- ❖ Raise membership by 5%.
- ❖ Organize Webinars to educate the members we serve.
- ❖ Create videos and guides for managing the Dues process and the MUC.
- ❖ Support LTGs with the vouching process.
- ❖ Create a community for treasurers.

**Why are you running for this particular office and how can you strengthen and influence the CNH District?**

I'm running for the position of International Vice President because Key Club has opened so many doors for me, and presented me with countless opportunities, whether it be the opportunity to put a smile on the face of a child with Down Syndrome, or the opportunity to meet people from across the country who think the same way I do. I want to contribute to an organization that provides opportunities like these to students all across the world. I want to emphasize different outlets of service, so that members have optimum access to giving back to the community, and so that they can do it alongside people who care about the people and places around them with the same passion that they do.

**What was the most meaningful experience of service that you have experienced in Key Club? What made it so?**

When I volunteered at a Project Greenlight camp this past summer, I felt like I was truly making a difference. Project Greenlight is a program in which children and adults with Down Syndrome learn to play tennis while moving from various drills and games throughout the day. Each volunteer is paired with a "buddy," or person with a disability. My buddy's name was Andrea. Andrea had the purest, most genuine smile I had ever seen. She didn't speak much, so when I did get her to say even just a few words, it felt like my whole world was lit up. I could tell that Andrea was shy, and probably wasn't used to attention. So I made sure that every time she did something good, whether it be winning a game or just hitting the tennis ball, that I cheered for her like she'd just won a marathon. The smile that she would crack let through a thousand rays of light, and the way she excitedly jumped up and down brought floods of warmth to my heart. The camp took place in the morning over the course of two days, and the second day, I almost didn't go. It was my last day in California before a flight, and my parents were urging me to rest. But all I had to do was call Andrea's face to my mind, and remember her quiet, "I'll see you tomorrow," and I knew that I had to make her statement ring true. I may not have changed the world over the course of those two days, but the thought that I might have shed some light in just one person's world, made me remember what Key Club was all about. I firmly believe that it's little victories like that, in the purest, most unfiltered form, that make me proud and motivated to serve.

### Assistance

I will make service an absolutely integral aspect of my platform. Service is the core of what we do, so I will work hard to implement new service projects as well as emphasize the importance of familiar, loved ones.

### Communication

Throughout my term as Lt. Governor, I learned how vital it is to communicate with the members you serve. I promise to keep the members I serve informed, updated, and educated through frequent and quick communication.

### Timeliness

I will minimize procrastination to my maximum capability. I am eliminating other extracurriculars and activities from my life in order to ensure that I communicate and work quickly and constantly, because that is exactly what the members deserve.

### Inclusiveness

One of the things that made me fall in love with Key Club was the fact that it made me feel like I was at home. I will work my absolute hardest to create environments in Key Clubs all around the world in which the members feel included, respected, and comfortable.

### Ohana

Something that separates Key Club from other organizations is its tendency to bring people together. I will emphasize the aspect of Ohana in Key Clubs all around the world, so that no one feels left behind, or forgotten.

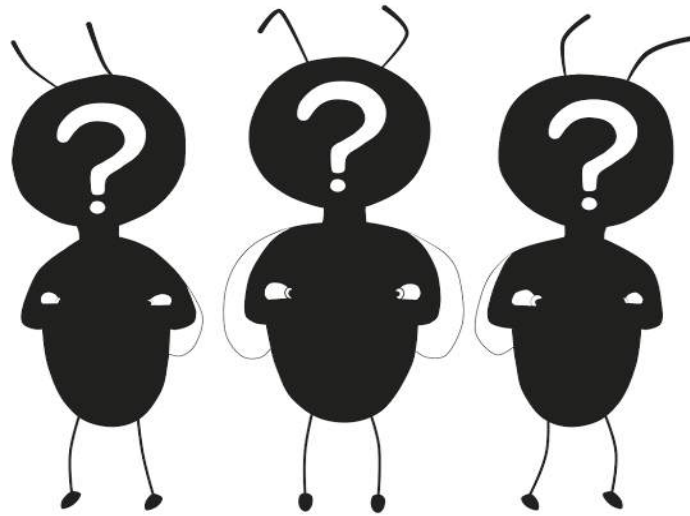

### New

I will work my hardest to find new outlets for service, to introduce new charities of focus, and find new ways for Key Clubbers to give back to those who are in need.

### GOALS:

- Introduce new service organizations to emphasize, such as Aceing Autism
- Increase communication between fellow districts through a penpal system
- Introduce monthly focuses on service
- Better relationships with Kiwanis Family through multiple appreciation days
