### Spotlight On Service Program Guide | September 2019

Hello CNH!

We hope that you've been having a wonderful summer so far! Please refer to this guide for our next Spotlight on Service--Pediatric Trauma Program! It's an organization that we all know so well. Additionally, one club is featured each month in the District Newsletter for hosting an outstanding service project in honor of the theme. The form to submit your service event can be found under the "Spotlight on Service Program" page under the "Projects" tab on the CNH Cyberkey. Happy serving, and we'll see you next month!

In the spirit of service,  
Service Projects Committee

### PTP

#### Importance of PTP

The Pediatric Trauma Program, also known as PTP, is one of Cali-Nev-Ha's major emphases within the district. The mission of PTP is to decrease the number of children who are injured or killed due to accidental injuries -- children who sustain great physical trauma. These accidents can be prevented by providing resources and proper training. Money fundraised for PTP goes towards proper training of doctors, nurses, and first responders, and the purchasing of essential safety equipment.

#### Mission Statement

The mission of the Pediatric Trauma Program is to develop local projects that will reduce the number of children killed or injured by trauma, helping all children live happy, healthy, and safe lives.

#### Additional Information

### Events

#### PTP Dolls

PTP dolls are used by doctors to show their patients what will be going on during their surgery. It helps children going through tough times. With the fabric, stuffing, and sewing materials, you can have a fun service event!

#### Playground Posters

Help advocate for children's safety by creating posters for playground safety! These posters will consist of general rules for children to follow while on the playground and will be posted on the walls of your local elementary school.

#### Helmet Decoration

Advertise PTP by holding a bike helmet decorating event for all to attend! Members would bring in bike helmets and materials to decorate them, then donate them to any local organizations or schools that can distribute them to children. Furthermore, this would help emphasize the importance of personal safety during sports and physical activity.

### Fundraisers

#### Pie for PTP

A fun, popular, and easy-to-manage fundraiser for clubs to hold is a Pie for PTP event. At this event, clubs get their members to volunteer to be pied in the face for a \$1 donation. It is an extremely effective way to promote the program, the club you serve, and have a fun time while doing so.

#### Movie Night

Host a movie night where you sell concessions! Choose a relatively new movie and many people will show up and have a good time with their friends. All proceeds will be donated to PTP.

#### PTP Week

A great way to collect funds for PTP while educating your peers and teachers is to arrange a School PTP Week! Key Clubbers can go classroom to classroom teaching about the mission and purpose of the program. This fundraiser will not only encourage your school to donate to PTP, but will also raise awareness for it!
