MEETINGS

MEETING *outline*

The following is a general outline of a meeting:

1. **Call to Order**
2. **Pledge of Allegiance**
3. **Key Club Pledge**
4. **Icebreaker**
5. **Old Business**
6. **New Business**
7. **Open Floor (Questions, Comments, or Concerns?)**
8. **Adjournment**

The main purpose is to ***keep your members updated!***

BOARD *meetings*

- Board meetings are meeting you have with your officer board.
- The meeting agenda should follow the general meeting outline above!
- The difference is that you would include topics you think your officers should discuss along with tasks!
 - You would utilize this meeting to delegate tasks, plan events, reflect, and more!
- Make sure you come prepared with ideas to bring to the table and tasks for every officer!

AGENDA

MDE

Creating meeting agendas in the form of a **document or slide presentation** can be extremely useful for planning and outlining your meetings. Here are a few tips of what to include to make your agendas much more *engaging*:

- **Bright colors**
- **Bold words**
- **Photos**
- **GIFs**

Make sure to send out your agendas/meeting minutes to your members, so they can reference them if needed or those who weren't able to attend can still stay updated!

PRESENTING

The way you present may either engage or lose your audience's attention.

Tips when you present:

- Have good posture, do not slouch
- Do not speak with a monotone voice!
 - Add pauses, lower or increase your pitch
- Ask rhetorical questions
- Make sure you are knowledgeable about what you are presenting
 - At least try to sound confident
- Crack a few SAFEKEY jokes in between
- Bring the energy, sound excited for the event

ICEBREAKERS

MDE

Meetings are not **just** for updates, they can be a great opportunity to **bond** with your members too! Add icebreakers to the beginning or end of your meetings. Some examples of icebreakers are:

- **Simple Questions (go around in a circle and each answer a question)**
- **Kahoots**
- **2 Truths & a Lie**
- **Soulmate**
- **Guess the Song**

Try not to make your icebreaker too long or members can get bored!

 - *A little interaction can go a long way!*
- **Allowing members to lead** the Key Club Pledge or ring the bell at the start of the meeting
- **Passing it on** to your fellow officers to talk about old/new business
 - *EX) Treasurer talks about upcoming fundraisers*
- Getting **feedback** from members on recent events
- Holding a **Service Event** after the meeting!

SECTION 6

CONNECTIONS

COMMUNICATING WITH

lieutenant governor

- Your lieutenant governor is the most important resource you have access to! They have a **network** that extends across the entire California-Nevada-Hawaii District and beyond!
 - Keep in mind that they have gone through hours of training on how to lead their division and have a lot of hands on experience!
 - If you have any questions, please **don't hesitate** to contact them! They will be glad to respond to any questions you may have! Here are some ways you can contact them.
- **Email.** All LTGs for CNH have the same email formatting. Replace the ## with your division number. [d##.ltg@cnhkeyclub.org]
- **Social Media.** Many LTGs run their division social media so if you cannot get ahold of your LTG try sending them a message through their division accounts.
- **Phone.** Many LTGs have shared their phone numbers on emails or at division events. Texting your LTG is a great resource for quick communication!

advisor

- When thinking about advisors, know that they are there to support you. Unlike your LTG or other Key Clubbers, your advisors have **years of experience** under their belt.
 - Especially if they've been an advisor for many years, they likely have come across any problems that you may be dealing with.
- **Email.** Most advisors will have an active email for communication. This will most likely be the best method of communication for most advisors.
- **3rd Party Apps.** Your advisors should always be in any KC official group chats you have!

PLATFORMS

Platforms are a great way to communicate with your members! Find the best platform that works for you and your members as well as something that is not restricted by your school district. Generally, it's best to use a variety of platforms that all serve different and or overlapping purposes. For example, Remind may be used to quickly communicate to those who are already within your group while Instagram is more used for general and public announcements to followers as well as others who are not within your group.

Below are some platforms that may suit your needs!
