## DGOV MESSAGE

### WHAT'S BUZZING CNH?

My name is Austin Alves, and I am **SUPER** excited to be serving as **YOUR** District Governor for this 2024-2025 term! In the past term, I served Division 30 South as their LTG (go Suns!). Outside of Key Club, I also enjoy being on my school's Mock Trial team, playing piano, and soccer (though I love all sports!).

As we get started with this new term, summer vacation is also just around the corner! Although it might be tempting to take it easy, make sure that you and your club **keep up your activity levels**, and continue to host consistent events! Summer is one of the best times to get some service hours in, especially before school starts again in the fall.

Transitioning into the new term, there's no doubt that one of the biggest challenges we face is a decline in our membership. Over the past few years, we've seen a consecutive decrease in the amount of dues-paid members, which we need to end now. But in order to reverse this trend, **we need YOUR help!** Everyone plays a part in making our organization as special and unique as it is. So when you go out to events, whether it be club meetings, DCMs, or region trainings, invite a friend!

If everyone can just recruit one new dues-paid member, we could theoretically double our membership. Just think of the great things that we can accomplish if we all work together!

Thank you all so much for reading, and if you ever have any questions or feedback, don't hesitate to reach out to me! Until next month CNH!

Writing the **STORY** of Service,

*Austin* Austin Alves  
 District Governor

## DSEC MESSAGE

## WHAT'S POPPIN' CNH?

My name is Tak Nishida, and it is **my honor** to be serving you all as your District Secretary for this Key Club term! I have been in Key Club since my freshman year of high school, when an upperclassman dragged me from cross country practice to a club meeting. From there, **I fell in love with the organization** and the community surrounding it. I became executive assistant and club secretary my sophomore year, and proudly served as Lieutenant Governor of Division 04 Central the past term. When I'm not going through MRFs or doing other Key Club duties, I enjoy hiking, running track, and singing with my acapella group!

This term, I have so many goals and aspirations for Key Club from the club level all the way up to our CNH District. One district goal in particular, **425,000 service hours by the end of the term**, is at the top of my priorities. I plan to continue the success of the prior term by continuing monthly secretary emails starting in June, along with the upkeep of the Annual Achievement Report (AAR) video series, making club recognition extremely clear with the help of the Member Recognition committee.

Most importantly, I want to make sure that all of you Key Clubbers feel supported by all of the District Board, because we are here to serve and help you.

Despite what hurdles we may face this term, I am sure that we can all work to overcome them, together.

## DTREAS MESSAGE

### BUZZ BUZZ CNH!

My name is Elizabeth Gilmore and I am BEEyond honored to be serving you as your Cali-Nev-Ha District Treasurer for the 2024 to 2025 term. Throughout my years of key club I have been able to experience this organization from many perspectives. As a general member, a club vice president, a division leadership team member, as division 13 north's lieutenant governor. It has been my greatest pleasure serving key club these past three years and I take great pride that I will spend my final year serving CNH as a district executive. I hope that whoever is reading this has found their passion in key club, and will grow their own journey.

This term, our sights are set high, with a fundraising goal of \$175,000 towards the PTP/YES initiative. With so many hardworking and dedicated busy bees in our district, I am confident we will be able to reach our goal this term; and I advise all leaders to set fundraising goals for yourself, for your club, or division. Summer is just around the corner, and this could be the prime time to kick your own events into action! Start fundraising, start socializing, start participating now!

I also want to make sure you know that I am here for you! In the months to come, I plan to maintain the release of treasurers update emails, and fundraising and dues payment resources. So make sure to stay connected to the district digitally. Don't forget that I am willing and ready to serve you, so please don't hesitate to reach out.

I can't wait to see what all of us busy bees will be able to accomplish!

**BUZZ BUZZ CNH!**

I hope everyone is wrapping up the year on a strong note and getting excited for this upcoming service year. For those who may not know me, I'm Allan An, and I have the honor of serving as your International Trustee until July. It was fantastic meeting you all at your 2023 District Convention. I had an incredible time and I hope you all did as well.

My job as your Trustee is to spread awareness of Key Club's global presence, connect members to resources, and support you as a friend. If you would like me to, I would be more than happy to speak virtually at any of your events or record a video. Feel free to just let me know.

Before we all take off for our much-needed summer break, I encourage you to stay engaged in your homes, schools, and communities. You have all made a tremendous impact on the people you work with, so keep being the change you want to see.

## KEY CLUB COLLABORATIVE PARTNERS

## MAJOR EMPHASIS

In 1946, the organization was challenged to build a program to bring together all Key Clubs and members to focus energies on making an international impact. This program is still followed today through the Major Emphasis: Children: Their Future, Our Focus.

To fulfill the Major Emphasis, Key Club International serves children in many ways. By working with Key Club International's partner organizations, Key Clubs serve children by aiding other organizations committed to serving children. Key Club International celebrates its three partnerships: UNICEF, March of Dimes, and Children's Miracle Network.

The Key Club service initiative is another element of the Major Emphasis and is created on a two-year basis. All of the hands-on service provided to children by Key Club International members is directed to a single area of need, to make a substantial impact.

# SPRING SHINDIG

EMILY NGUYEN | D02S

On a hot but breezy Saturday on April 21st, the Encinal Key Club had successfully volunteered at Alameda's annual Spring Shindig. Every year, the event gathers families and friends together at Alameda Point Gym and Field to celebrate spring within the community. The Encinal Key Club has partnered with their local club, Alameda Key Club, to help support the event once more. A lot of Key Club members have signed up for the event. With the multitude of games, crafts, bounce houses, and other booths, there were plenty of things to help out with. During the setup, we walked back and forth across the entire area, putting up pop-up tents, and carrying tables, chairs, and boxes of supplies and materials. We used our creativity to decorate the stations with star banners and lights and tested the crafts to make samples. As families began to show up one by one, our Key Club assisted and interacted with them: getting their faces painted, helping them make bracelets, etc. The event was a truly successful and fun communal engagement, and we hope to be back at the next Spring Shindig

In this photo, I can be seen working on one of the many bird feeders we made at the Woodward Park Library in April. We made these bird feeders out of popsicle sticks and colored them for a more appealing look. We made these bird feeders for the purpose of providing birds with a safe way to grab a snack whenever they feel hungry.

## PAPER CRANE DONATION

MICAH PERALTA  
D44W | WEST PARK

In lieu of autism awareness month, West Park and Woodcreek Key Club members collaborated in a successful interclub dedicated to building awareness about autism. Key Club members from each club gathered at West Park High School to attend an educational workshop while creating cranes to donate to cancer patients through the Cranes for a Cure organization, dedicated to honoring children whose lives were taken by cancer. Each paper crane carefully made by each of our Key Club attendees will be displayed by the organization as an art piece to raise money towards advancing research towards childhood cancer.

## RONALD MCDONALD'S CHARITY

On April 20, 2024, the Turtles set out to serve the community at the Ronald McDonald's House SoCal. On this day, volunteers volunteered to help raise awareness for children's needs by bringing the community to run a walk. From 8:15 a.m. to 10:00 a.m., volunteers were assisting people toward the right direction, give out water to those who needed it. At the end of the walk, volunteers went into groups to help to hold signs, and rake up the cups to ensure that the area was safe for the people who were to walk. This service was half hours long, and ended at one point.

I would definitely do it again.
